

KIDS is working with the NHS in Essex to create an exciting new support service for young autistic people and their families. We'll be working hand-in-hand with young people, families, and community groups across Essex, Southend and Thurrock over the coming year to create a service that works for everyone.

Over the next 12 months we want to work with young people and families all over Essex to coproduce an engaging accessible website and support webinars created by and for people with lived experience and **we need your help!**
